Camp Fatima
of New Jersey®

CHANGING LIVES,
ENRICHING HEARTS.

ONE CAMPER, ONE
VOLUNTEER AT A TIME.

FREE, LIFE-ENRICHING CAMP EXPERIENCES FOR CHILDREN AND ADULTS WITH DISABILITIES

Imagine a Place...

Where magic can break out at any moment; and those with special needs are cared for one-on-one by a loving counselor in an environment where they can be themselves.

Where a camper can become a movie star, Olympic swimmer, comedian or princess on any given day.

Where friendships are built and sustained for years, dance moves are cultivated, and kindness is currency.

Where caregivers can leave their special camper in the hands of those that love and accept them, for some rest and much-needed relaxation.

That place is Camp Fatima of New Jersey.

About Us

- We are an all-volunteer organization
- Funded entirely by private, tax-deductible donations and fundraising events
- The only one-to-one camp experience in New Jersey
- Each camper is cared for by a designated volunteer
